

Pro Chess Training Elite Group

Chess Explained.

General Information:

- **Who we are:** Pro chess training is an online chess training solution. We provide activities for all seven days of the week to our subscribers. We have a group of vastly experienced Grandmasters in our coaching team to help players across different rating levels.
- We have 5 different rating groups to separate students according to their playing strength

Group 1	1000-1400
Group 2	1400-1800
Group 3	1800-2200
Group 4	2200-2400
Elite	2400+

- **Coaches:** We have several world renowned Grandmasters as part of our coaching team: GM Alexei Shirov, GM Harikrishna Pentala, GM Rustam Kasimdzhanov, GM Liviu-Dieter Nisipeanu, GM Surya Sekhar Ganguly, GM Pavel Eljanov, GM RB Ramesh, GM Srinath Narayanan, GM Vishnu Prasanna, GM Yevgeniy Vladimirov.

All our activities are designed to include chess activities every week

- **Classes**
3 classes every week from an experienced and titled instructor
- **Elite class**
1 class every week taught by 2700 grandmaster.
- **Training games**
It is very important to play specific targeted training positions to work on specific areas in the game. We provide a solution by setting up positions twice a week for students to play against each other and train in specific concepts.

Course Fee:

We provide monthly and annual subscription options.
Monthly subscription - \$250
Annual subscription - \$2750
